

AMERICAN LEGION BASEBALL INFO 2012

Thanks for joining the 2012 Mason City Post 101 American Legion baseball squad. Below is some info about the team:

- 1. This team is not affiliated with Mason City HS**
2. The coaches this year will be Don Esser, Kevin Staudt, Paul Thompson, and Eric True.
3. The local Legion Post 101 will cover the team's registration fee and liability insurance costs.
4. Each player must pay \$50 to cover umpire costs and baseball game ball costs.
5. If a player needs a team hat they must pay an additional \$10. Any player who needs a jersey must also pay an additional \$15. So, total cost could range anywhere from \$50-\$75. Players can use their jerseys and hats from last season. The design will be the same.
6. Please make checks payable to Troy Rood. Please pay by March 1st. Registration money should be handed into Coach Rood.
- 7. All games will take place on weekends in March, April and May. Please do not commit if you can't be at all the games (we will work with spring sport athletes, though).**
8. We will carry an 18 man roster (state of Iowa rule).
9. Pitch counts will be closely monitored.
10. Our Legion team will also participate in the American Legion regional and the state tournament the 1st and second week in May. We must qualify for the state tournament by advancing thru regional play.
11. Rides/caravans to away games will be discussed prior to each game.
12. Hats and jerseys will be distributed when they arrive. .
13. Please let Coach Rood know if there are any dates you cannot attend.
14. A Legion Coach will contact you in regards to any practices that will be planned.
- 15. Please fill out the below sheet and hand into Coach Rood by January 27th (you can email the form to me).**
- 16. If you are out for a high school spring sport, that spring sport should take top priority. Please do not skip a high school activity for a legion game.**
